★GRUDGEBEARERS★

Dwarfs are ideal Blood Bowl players, being short, tough, well armoured and having the stubborn knack of refusing to give any ground to their opponents. Most successful Dwarf teams work to the principle that if they can take out all of the opposing team's potential scorers and wear down the rest, then there won't be anybody left to stop them scoring the winning touchdowns! The Grudgebearers are no exception and have become famous for their intricate and well-planned plays, as well as never forgetting an insult or dirty trick carried out by an opposing team!

THE GRUDGEBEARERS BOXED SET CONTAINS A COMPLETE DWARF BLOOD BOWL TEAM CONSISTING OF:

2 Troll Slayers

2 Blitzers

6 Long Beards

2 Runners

1 Grudgebearers transfer sheet to allow you to detail your team with numbers and symbols.

★ GALADRIETH GLADIATORS™ ★

When Blood Bowl was first played, the High Elves disdained the sport, however it didn't take them long to realise that there is nothing to beat seeing your team wipe out the opposition in a hard-fought game. High Elves are now renowned for their high-speed passing game, relying on the accuracy of their Phoenix Warriors and the icy calm of their catchers to score fast throwing touchdowns.

High Elf teams are also remarkable for their combination of speed and agility, which makes their players the epitome of grace when it comes to the running game.

THIS BOXED SET CONTAINS A COMPLETE HIGH ELF BLOOD BOWL TEAM CONSISTING OF:

2 Dragon Warriors

2 Lion Warriors

1 Phoenix Warrior

7 Linemen

1 Galadrieth Gladiators transfer sheet to allow you to detail your team with numbers and symbols.

CHAOS ALL-STARS™

Chaos teams are not noted for the subtlety of their game play. A simple drive up the centre of the field, maiming and injuring as many opposing players as possible, is about the limit of their game plan. They rarely, if ever, worry about minor considerations such as picking up the ball and scoring touchdowns – not while there are any players left alive in the opposing team, anyway!

CHAOS WARRIOR

The Chaos All-Stars boxed set contains a complete Chaos Blood Bowl team consisting of 3 Chaos Warriors and 8 Beastmen together with a Chaos All-Stars transfer sheet to allow you to add numbers and symbols to your team.

★SKAVENBLIGHT SCRAMBLERS™★

Skaven are not the toughest or strongest players to take to the Blood Bowl pitch but they are among the fastest! Against most teams, Skaven Gutter Runners dominate the game, dashing through any gaps in their opponents' line to snatch a lightning fast touchdown.

As Skaven teams develop, the players' consumption of deadly Warpstone results in many grotesque, but often useful mutations that are always popular with the fans.

THIS BOXED SET CONTAINS A COMPLETE SKAVEN BLOOD BOWL TEAM CONSISTING OF:

2 Storm Vermin

3 Gutter Runners

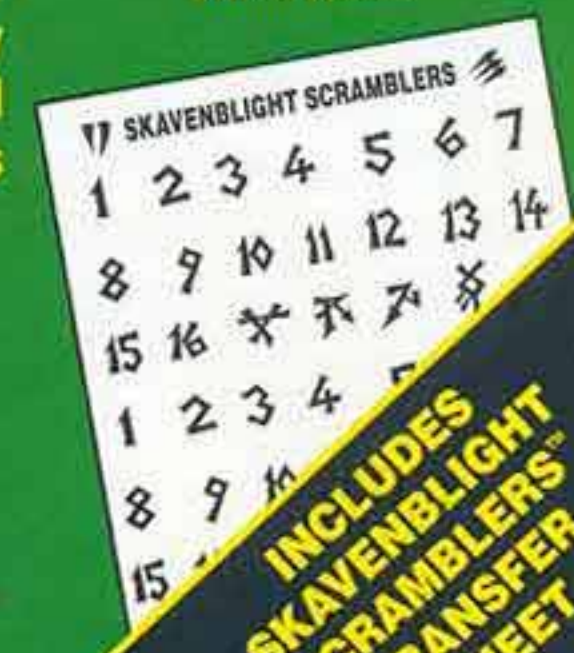

1 Thrower

6 Linemen

1 Skavenblight Scramblers transfer sheet to allow you to detail your team with numbers and symbols.

ORCLAND RAIDERS™

ORC BLITZER

Orcs have been playing Blood Bowl since the game began. They just love the mayhem and treat every game as an excuse for a good brawl.

This approach has also made them very successful. The Orcland Raiders were the first-ever winners of the Blood Bowl Open Championship, and this famous team is rightly feared across the Old World for its ferocity and power.

Their aggressive and violent approach to the game has often been mimicked but rarely bettered, and the team are sure-fire candidates to walk away with the coveted Blood Bowl Open Championship trophy for a second time.

THIS BOXED SET CONTAINS THE COMPLETE ORCLAND RAIDERS BLOOD BOWL TEAM CONSISTING OF:

1 Orc Thrower
2 Black Orc Blockers
3 Orc Blitzers
5 Orc Linemen
1 Orcland Raiders transfer sheet to allow you to detail your team with numbers and symbols.

★CHAMPIONS OF DEATH™★

BLOOD BOWL WIGHT

Blood Bowl fans both love and fear Undead teams. Although they have a tendency to fall to pieces in the middle of the scrimmage, they are renowned for their ability to make a come back!

Their opponents often stand aghast as Skeletons and Zombies rise from fatal blows and return to the fray with renewed vigour. Many Blood Bowl teams have even found themselves playing against a formerly deceased team mate or Star Player who has been returned to undeath!

THIS BOXED SET CONTAINS THE COMPLETE CHAMPIONS OF DEATH BLOOD BOWL TEAM CONSISTING OF:

2 Mummies 2 Ghouls

2 Wights 3 Zombies

3 Skeletons

★NAGGAROTH NIGHTMARES™★

WITCH ELF

Dark Elves make superb Blood Bowl players, combining their strength, speed and agility with a low cunning and an evil temperament.

Although best suited to the throwing game, sheer spite makes the Dark Elves enjoy the violent conflict of the running game. Witch Elves and Dark Elf Blitzers in particular, excel at punching a hole in the opposing line of scrimmage through which their fleet-footed team mates can run.

THIS BOXED SET CONTAINS THE COMPLETE NAGGAROTH NIGHTMARES BLOOD BOWL TEAM CONSISTING OF:

1 Dark Elf Thrower
2 Witch Elves
2 Dark Elf Blitzers
7 Dark Elf Linemen
1 Naggaroth Nightmares transfer sheet to allow you to detail your team with numbers and symbols.
